

Appln. No. 10/008,603
Amdt. dated May 5, 2004
Reply to Office Action of April 15, 2004
Attorney Docket No. 000594-126753

REMARKS

The examiner has cited as the basis for election requirement that the method of Claim 1 could be performed without a flexible bag having a horizontally extended tubular length. It is proposed that the recitation of the flexible plastic bag of Claim 1 be amended to include the requirement that it have "a horizontally extended tubular length."

Reconsideration is requested.

Respectfully submitted,
